Our local chapter web site has been up and running for several years now, and the upgrades that we have made over the past several years have proved to be extremely valuable. These changes have enabled us to communicate more effectively with our membership as well as future clients. We are constantly looking into additional way to improve our site thus making it even better for you!

Now is the time to renew your subscription to our comprehensive membership list. We always list every member, but you can opt to add your contact information and web-site links, a feature that may be renewed annually for a fee of \$125.

The 12-month subscription cycle begins on January 1, every year. Beginning January 31, 2011, we will remove all additional information from the listings of those members who have chosen not to participate again this year.

If you wish to participate, or renew your subscription, please fill in your information as you would like it to appear on the website. After completion of the form, send this sheet and your preferred form of payment to the address listed below.
