

The TRANSFORMATIONAL LECTURE SERIES aims to inspire all building industry professionals to embrace their role in creating a sustainable built environment now, as well as ensuring that sustainability becomes integral to all development in the future. By reminding us why we must act boldly and helping us to imagine a world where sustainability is the baseline, these lectures promise to inspire a revolution!

INSPIRE. MOTIVATE. TRANSFORM.

IS A PARTNERSHIP BETWEEN

The Transformational Lecture Series is inspired by and has evolved from Seattle's long-successful and engaging Urban Sustainability Forum.

CREATING SUSTAINABLE AND INSPIRING PLACES TO WORK, LEARN AND LIVE

Dennis J. Wilde, Principal, Gerding Edlen Development

Dennis Wilde's passion for sustainable urban development runs deep. From his graduate studies in architecture and urban planning to his current role at Gerding Edlen, environmental responsibility and smart design are central to his philosophy. As Gerding Edlen's designated "green guy," Dennis has encouraged increased sustainability in development projects while building a strong business case for the economic and social benefits of environmental responsibility.
