Volunteer Opportunity

This summer ASID AK is putting together a team to help build a Habitat Home. Building Season is coming soon! Habitat for Humanity Anchorage is building a 2010 100 Women House, with 8 designated Women Build days. We are looking at Saturday, June 26 or Saturday, August 21 for volunteer days. The build days are 8:30 to 4. If you are interested in volunteering please contact Aurora Kassube at akassube@1-workplace.com.
