

The GIFT (**G**iving **F**rom **T**he Heart) program is a community partnership organized by The Salvation Army, Catholic Social Services, Food Bank of Alaska, Lutheran Social Services, United Way of Anchorage and the U.S. Marine Corps Toys for Tots. Families in need receive food for a holiday meal and gifts for each child. Over 12,100 Anchorage residents were served through the GIFT program in 2005. More than 8,000 toys are needed to provide holiday cheer for families in our community receiving help this holiday season. Holiday food boxes and toys for children will be distributed at the ACS Garage December 18-22. Call the GIFT hotline at 565-GIFT (4438) for complete information.

For the past several years, our chapter has volunteered with the Salvation Army for their annual GIFT event by decorating the tree. This year is no different.

Please join us on Monday, December 17 at noon

ACS Warehouse on Telegraph Ave

We'll bring the decorations and lunch. See you then!
