

*The influence of the Green Movement on colour and design.*  
**eco** 08 | Colour  
**echo** 09 | Trends

The Green movement is being broadcasted from every angle from fashion to home decor; food to automobiles, and for many it has become, the new way of life. This trend is leading us toward a new outlook on our core values and the ways we express ourselves.

**Wednesday, October 8<sup>th</sup>**  
 Colorful Luncheon: 12 - 1:30 p.m.

**BP Energy Center**  
 900 East Bensen Boulevard, Downtown Anchorage  
 Fir Room

**Josette Buisson**  
 Artistic Director Pittsburgh Paints

Join Josette Buisson, Artistic Director, Pittsburgh® Paints to see the newest colors in paint and design. Experience the why behind the influence of trends. Josette's will discuss how demographic, societal and global common experiences affect how we respond to trends. Also, see all of our new color tools created just for designers.
