

The TRANSFORMATIONAL LECTURE SERIES aims to inspire all building industry professionals to embrace their role in creating a sustainable built environment now, as well as ensuring that sustainability becomes integral to all development in the future. By reminding us why we must act boldly and helping us to imagine a world where sustainability is the baseline, these lectures promise to inspire a revolution!

INSPIRE. MOTIVATE. TRANSFORM.

## TRANSFORMATIONAL LECTURE SERIES

### THE TRIPLE TOP LINE – CREATING ABUNDANCE THROUGH GREEN BUILDING

Tom Paladino, President, Paladino & Co.

A nationally recognized leader in the green building industry, Tom is the founder and president of Paladino & Company, a visionary green building consulting firm. Drawing upon his technical expertise in both architecture and engineering, Tom brings innovative ideas, a building-science knowledge and perspective, and a proven process for design integration to the more than 300 green and LEED projects he has consulted on. From concept and system design assistance to cost/benefit evaluation and analysis, Tom contributes inspiration, expertise, and implementation-focused guidance to each project team and building owner.
